

2021

MACÁN CLÁSICO

Macán Clásico is a wine that is firmly rooted in its region of origin, the Sonsierra in La Rioja, where the slopes of the Sierra de Cantabria amass centuries of wine growing and wine making tradition, knowledge and culture. It reflects the freshness, fruitiness, vivacity and delicacy of the terroir, plus additional depth and complexity. Red wine wholly made using the Tempranillo and Grenache varieties. Grapes from parcels of limestone soil with sandy clay.

The 2021 harvest was magnificent: healthy and fresh grapes with crisp skin. This was the second year in which we enhanced our field blend with Grenache grapes.

The combination of this outstanding vintage and our technical team's increased knowledge has made this Macán Clásico 2021 the best to date. This is a wine with a consolidated style: lively, fresh and a great presence.

VINEYARD CYCLE

Rainfall in 2021 has been above average, thus creating good water reserves in the vineyard. The mild and stable spring temperatures ensured frost-free budding and smooth development of flowering and fruit. Heavy storms hit the vineyard on June 16, along with hail in some of the parcels, with impact on seven hectares only.

The harvest benefited from mild temperatures and little thermal contrast, with neither fog nor rainfall.
